LLANYBYDDER MATTERS

THE PARK

Nothing to report to date with regards to Mr Garside, but matter is ongoing with Solicitors.

The Clerk spoke with Gladstone but turned out to be Gareth as an agent. The clip for the bin price was given at £60.00, so Clerk ordered another for spare. L Jones informs us all has been repaired, but Clerk will check with Gareth regarding the spare one. An Invoice will follow for the 2 items. It appears the park is progressing well and is near completion.

Clerk is to send a reminder to Carms CC to ask if they could arrange for the markings on the tennis court be re-painted as they have faded.

The goal area at the football pitch has eroded. L Jones was asked to fill with grass.

The goal posts need replacing. N Morris is going to contact Actif, Carms CC. L Jones will enquire with Llanllwni Community Council.

PUBLIC CONVENIENCES

An emergency Teams meeting took place to discuss the closed toilets. It was decided to prepare the tenders, and there would be 3 tenders in all. At the same time, an emergency plumber had to be called to repair/replace the fixing bolts that had rusted in one of the toilets. Pay Invoice £91.03 to Kevin Michelle, Roblyn's Heating. Pay EDF Invoice £118.40.

Tender 1 = Repair / replace broken floor tiles.

There was no response to this Tender. As L Jones is our groundsman he was asked to repair / replace the broken floor tiles and clear the brambles at the rear of the toilets. He could not give a tender figure as he was unsure of the time / costs involved.

Tender 2 = Deep clean all toilets, baby changing area & service corridor area. Application of anti-Graffiti paint to all toilet walls.

There was 1 response for Tender 2 from Paul Evans, Proclean for the amount of Materials costs £1511.19 and Labour costs £1704.00 = £3215.19 + Vat. This quote was accepted by our Council; the Clerk notified Paul Evans of this on the condition he could steam clean at once, and thankfully, he carried out this part of the works very quickly in order for us to open the toilets.

Tender 3 = Cleaning of toilets daily. Maintain high standard of hygiene of the toilet block. A deep clean on as required basis. Check each cubicle daily for the replenishment of toilet paper & hand wash. Cleaning & maintaining the storage area at the rear of the toilets. Ensure the toilet block area is kept clean and litter free. Ensure the Clerk is notified in sufficient time to order toilet paper, hand wash & cleaning materials.

There was one response for Tender 3 from Kevin Jones for £90.00 per week to be paid on a quarterly basis. The Clerk notified K Jones of our Council's acceptance of his quote.

We are pleased to record the toilets were opened again to the public after the completion of all formalities. The matter of a nappy and sanitary bin can now be purchased by K Jones and will be reimbursed on receiving a Vat Invoice from him.
